Mr. Harry E. Fitzwater
Deputy Director for Administration
Central Intelligence Agency
Washington, DC

Dear Mr. Fitzwater: *[Signature]*

(S-CCO) The National Security Agency has recently established an Expert Linguist Emergency Reaction Team (ELERT) to provide SIGINT linguistic support on a contingency basis ^{PL 86-36} to counterterrorist operations. The ELERT is staffed primarily by persons from our Agency who have the requisite interpreter-level competence in certain foreign languages. However, we do not yet have an adequate capability in Libyan Arabic, one of the ELERT target languages. On the basis of a recent conversation between Mr. *[Redacted]* of our Agency and

[Redacted] Chief of the CIA Language School/OTE, we believe that a *[Redacted]*, an instructor at the school, has the requisite competence in Libyan Arabic. Accordingly, we would like to meet with you to confirm *[Redacted]* linguistic qualifications, to determine her clearability, and to discuss the feasibility of her assignment to the ELERT.
